

THE CLASSIC

Dear Patrons of the Arts,

Last holiday season, The Classic Theatre launched with an immersive retelling of THE GIFTS OF THE MAGI in the beautiful historic ballroom at Oliver's in downtown Lincoln. Audiences and critics gave the music and theatrical experience rave reviews.

The Classic Theatre has stories in development, beautiful spaces sure to enchant, and a loyal company of professional artists hopeful for employment. To make this possible, we are asking businesses and patrons alike to consider making a donation to secure the financial foundation of our new company.

ABOUT: The Classic Theatre, established in 2021, is a professional theatre serving Placer County. The Classic's mission is to provide an irresistible, immersive experience with professional theatre that awakens the imagination, brings hope, and inspires change.
